

**Honorable Judge John Milton Young**

United States District Court  
Eastern District of Pennsylvania

Date: March 25, 2021

Re: Case No. 2:20-cv-06207-(JMY)

Motion to Withdrawal

Dear Judge Young:

I respectfully withdrawal this case pursuant to Rule 41(a)(1) without a Court Order and Without Prejudice.

Defendant Shakim Harris is harassing people that are not associated with this case

(please see EXHIBITS A through L).

Harris made an unsubstantiated workplace complaint against a person named "Andrea Stewart". Harris made the complaint pretending to be a person named "Shakim White".

Harris filed a similar made-up complaint against another person named "Gerald Palmer" also known as "Rev G." using the same made-up name "Shakim White".

Harris made a false workplace complaint with Palmer's employer. Harris alleged that Palmer had inappropriate relations with students at the college where he works.

(Please see EXHIBITS A through L)

On March 24, 2021, Palmer posted evidence from his employer confirming that Shakim Harris's workplace complaint against him was false.

As per Palmer's posting, he appears to be in the process of getting a restraining order against Harris.

(Please see EXHIBITS A through L)

Respectfully Submitted to the Court,

s/ August Archibald, *plaintiff pro se*
